

Motivation Letter for Mortgage

Dear Sir/Madam,

I'm writing this motivation letter to make my application for the mortgage plan housing facility. I believe this is the appropriate mortgage plan for me to avail my dream home. I'm currently working as a junior engineer at Tesla motors with quite a well salary package. I'm looking forward to land in my own house due to family settlement reasons.

I, unfortunately, don't have many funds to pay off the entire amount of the house. I, therefore, want to go for the mortgage plan of the standard chartered bank.

Having read all the related terms on the mortgage plan I feel eligible for the mortgage plan. I'm in perfect eligibility to waive off the entire amount of mortgage within the stipulated period. With my humble request, I here end up my motivation letter for the mortgage. I believe to be considered in good notes for the mortgage plan.

Thanks & Regards,
Tom Clinton
