Subject – Motivation Letter for Embassy ( Student Visa )

Dear Sir,

It's a matter of utmost pride and honor to me for making this student visa application to the embassy of the Philippines. I'm originally an Indian resident and want to study for my MBBS program in the Philippines. I'm willing to make my stay in the Philippines for the next 5 years as it's the duration of my MBBS programs. I have read and fulfilled all the criteria for making the student visa application.

Furthermore, I also hereby clarify that I have no criminal background to violate the rules of a student visa. I have already received my student enrollment admission letter from one of the Philippines ' medical universities. So, Kindly consider my visa application and grant me the student visa as soon as possible.

Thanks & regards
