

Motivation Letter for Tourist Visa

To, Indian Consulate of Immigration Affairs

I'm writing this motivation letter for the application for a travel visa for my visit to the USA. I'm an Indian resident named _____ and wish to travel to the USA as a tourist for a number of days. I wish to explore the country as part of my wild dream and live there for the time being. I have been an avid traveler and have been to a number of countries before as a sincere traveler. I'm making this visit solely for the travel purpose and there is no other motive of mine behind it.

I already have a valid passport and the details of the same are available in the motivation letter. I'm further clean of any criminal background and have fulfilled all the criteria of traveling. I believe that my visa application would be soon accepted by the embassy and I would be able to travel on my anticipated dates. Kindly feel free to contact me on any kind of further inquiries on the visa application on my contact numbers.

Thanks & Regards

Yours Truly
